

## Safety Tips: Moonlight Walk 2019

We would like everyone to have an enjoyable and safe evening. We would therefore ask that you spend a few moments reading through this page.

- ➔ Free bottles of water will be available to all walkers.
- ➔ Please wear sensible clothing (eg wear your free tees over your clothes) and sensible footwear. The walk is not a race and therefore all walkers must stay behind the lead walkers. Please do not run.
- ➔ Whilst all pavements along the route will be well-lit, please do watch your footing and stay on the pavement. We recommend that you also bring a torch.
- ➔ Should anyone get into any difficulties during the walk, please alert a steward wearing a high-visibility vest
- ➔ A Street Collection Licence is not available for this event which means that a collection cannot be carried out in the streets therefore please do not bring any collection buckets or boxes.
- ➔ Please be aware that the route passes by residential areas. We therefore ask that noise is kept to a minimum in and around these areas.
- ➔ Please follow the directions to the registration area. Please note car parking spaces are limited. We advise you to car share where possible or arrange to be dropped off at the venue
