

Terms and Conditions: Lake District 5 Peaks Challenge 2025

(Self-Fund Option)

Registration and Sponsorship Commitment

There is a non-refundable registration fee of £360. £125 of this fee covers your place in the event, and the remaining money will go directly to support patient care and services provided by St Barnabas Hospice. As you have chosen the self-funding option, no fundraising is required. However, if you wish to fundraise, there is no minimum target, and all funds raised will go directly to benefit St Barnabas Hospice.

Adventurous Ewe – Challenge Provider Terms

The Lakes 5 Peaks Challenge is run in partnership with Adventurous Ewe Ltd, who are responsible for delivering the event, including all safety, logistics, and guiding.

By signing up, you are also agreeing to Adventurous Ewe's Terms and Conditions, which cover important areas such as:

- Health and fitness requirements
- Insurance needs
- Safety and participation responsibilities

Please take a moment to read their full terms here: [Adventurous Ewe Terms and Conditions](#)

If you have any questions, feel free to contact us or Adventurous Ewe directly.

Cancellation and Refunds

Once registered, if you are unable to participate, you will not be eligible for a refund of any payments made. You will be responsible for informing any supporters who have donated to your page that you can no longer take part. If they wish to request a refund, they must contact the fundraising platform where their donation was made.

Match Funding

If you choose to fundraise, match funding from companies can be included in any sponsorship raised, as there is no minimum fundraising target. Please note that match funding is considered additional sponsorship and will go directly to support the care provided by St Barnabas Hospice.

Fundraising and Payment Methods

If you choose to fundraise, all sponsorship funds will be used to benefit St Barnabas Hospice. Any sponsorship not collected through an online fundraising platform can be submitted to

St Barnabas Hospice via cheque, card, or cash. Payments can also be taken by phone using a credit or debit card by calling 01522 540300.

Non-Participation

All payments are non-refundable, regardless of whether you participate in the Lake District 5 Peaks Challenge. By securing your place, you are committing to participate in the challenge, and any additional fundraising you do will support the hospice care provided by St Barnabas Hospice.

Online Fundraising Platforms

If you choose to fundraise via an online platform such as Enthuse or JustGiving, all your sponsorship monies will be automatically transferred to us.

Gift Aid

As you have paid the full cost of your participation, any sponsorship raised can be eligible for Gift Aid:

- If the donations have been made by individuals who are UK taxpayers, and they meet the usual Gift Aid criteria.
- By completing a Gift Aid declaration, St Barnabas Hospice can claim an additional 25p for every £1 donated, at no extra cost to the donor.

If you are unsure whether this applies to any donations you have collected, please contact us before submitting them.

Minimum Participation Requirement

The Lakes 5 Peaks Challenge is a group-based event that requires a minimum number of participants to ensure it can run safely and cost-effectively. This allows us to provide the appropriate level of support, staffing, and resources needed to deliver a high-quality experience for everyone taking part.

If the minimum number of participants is not reached, St Barnabas Hospice reserves the right to postpone or cancel the event. In the event of cancellation, we will contact all registered participants with as much notice as possible and provide guidance on next steps.

We will always do our best to avoid disruption and greatly appreciate your understanding and support in helping make this challenge possible.

By signing up for a Lake District 5 Peaks Challenge charity place in support of St Barnabas Hospice, you accept these terms and conditions.
